Summary

Website design refinements and functional updates were confirmed, with operational strategies for lead management and deployment finalized.

Website Design and Navigation

The team aligned on visual consistency and navigation flow. It was decided to remove explicit pricing to prioritize direct client inquiries.

Content and Profile Organization

Image assets were updated to improve relevancy, and staff profile layouts were adjusted. The international tour page remains accessible to sustain client engagement.

Deployment and Technical Strategy

Lead generation workflows were established using registration forms and email distribution. Development environment migration will proceed to finalize the live website launch.

Decisions

Aligned

- **Rate display strategy modification** The website pricing strategy is updated to remove fixed rates and replace them with a 'Contact for rates' prompt to avoid misdirecting clients.
- **International tours page status** International tour packages will remain publicly visible and open on the website rather than being set to an 'under development' status.
- **Team page layout standardization** The 'Our Team' page layout is reorganized to feature core team images at the top and management images at the bottom, with all profile images standardized to a gray background.
- **WhatsApp contact number allocation** The website's WhatsApp inquiry contact number is set to Jai's personal number for the initial launch phase.
- **Rate sheet distribution method** The post-signup workflow is configured to automatically email the rate sheet to users upon registration instead of providing a direct download link.
- **QR code destination configuration** The QR code is configured to direct users specifically to the agent signup portal rather than the generic website homepage.

We've **updated the Decisions section** using your feedback.

Details

- **Website Branding and Design:** Jai Kishan and Toe Tripper 863 discussed the visual consistency of their respective websites, noting that they coincidentally shared similar color palettes. Hevardhan Saravanan provided an overview of the current homepage, confirming the design elements were in place.
- **WhatsApp Button Configuration:** Hevardhan Saravanan reported that the WhatsApp button on the website was currently pointing to a default number and needed reconfiguration. Jai Kishan instructed that their Malaysia WhatsApp number (starting with 017) be configured as the primary contact number for the time being, with the option to update it later ([00:00:47](#)).
- **Removing Pricing from Website:** Jai Kishan directed Hevardhan Saravanan to remove specific price rates from the website to avoid providing outdated or misleading information ([00:01:47](#)) ([00:03:31](#)). The team agreed to replace explicit numerical pricing with a "Contact for Rates" or "Price from" label, with Hevardhan Saravanan noting that this change would require text field modifications in the administrative backend ([00:09:12](#)).
- **Navigation and Search Functionality:** Hevardhan Saravanan demonstrated the website's search box and page navigation features. The group clarified that selecting a tour should direct users to a dedicated tours page rather than keeping them on the homepage, a functionality Hevardhan Saravanan confirmed was implemented ([00:02:30](#)).
- **Tour Itinerary Viewing:** The team verified that the "View Itinerary" function was operational, allowing users to access detailed information. Jai Kishan emphasized the importance of ensuring this feature functioned correctly so potential clients could review itineraries without needing immediate access to pricing ([00:04:21](#)).
- **International Tour Packages:** Jai Kishan and Toe Tripper 863 discussed the "International Tours" section ([00:06:13](#)). They agreed to keep the section active even with limited offerings, as it allowed them to route inquiries through their existing channels. Jai Kishan stressed that they should avoid labeling the section as "under development" to maintain engagement with potential clients ([00:07:26](#)).

- **Image and Content Updates:** Hevardhan Saravanan was instructed to replace generic Genting hotel images with more relevant photos of the Skyworld Theme Park ([00:11:04](#)). Regarding the "About Us" section, Jai Kishan requested that the "Core Team" profiles be moved to the top of the page, prioritizing the staff who perform the daily work over the directors ([00:22:30](#)).
- **Profile Image Standardization:** To create a professional appearance, the team decided to standardize all team profile photos ([00:25:53](#)). Jai Kishan and Toe Tripper 863 agreed that Hevardhan Saravanan should remove distracting backgrounds from all staff images, including Jai Kishan's, and ensure they all feature a consistent, light-colored background ([00:23:38](#)).
- **Lead Communication Strategy:** Discussing the influx of leads, the group debated which contact number to use for WhatsApp inquiries ([00:27:36](#)). Jai Kishan opted to use their own number temporarily to ensure timely responses, as other team members like Danusha would be on medical leave. The team also touched upon the status of a shared email inquiry address, with Thayaalan Kumar noting the transition to Outlook ([00:28:46](#)) ([00:30:51](#)).
- **QR Code and Agent Registration:** The team planned to use a QR code during an upcoming presentation to facilitate agent sign-ups ([00:32:48](#)) ([00:43:05](#)). They established a workflow where agents scan the QR code to reach the website, complete the registration form, and receive promotional materials or rate sheets via email ([00:33:45](#)) ([00:47:36](#)).
- **Email Automation and Spam Management:** Toe Tripper 863 and Hevardhan Saravanan discussed the technical logistics of emailing rate sheets to newly registered agents ([00:35:42](#)). Because automated WhatsApp messaging requires specific premium business account settings they did not currently possess, they opted for an email-based delivery system. They planned to include a disclaimer on the sign-up page advising users to check their spam folders if the email did not arrive immediately ([00:37:54](#)).
- **Domain Migration and Launch:** Hevardhan Saravanan explained that the website was currently hosted on a development domain and required a DNS update to go live ([00:38:47](#)). Jai Kishan expressed concern that this migration, which they believed had been coordinated with a developer named Vicki, had not yet occurred ([00:39:36](#)). The team committed to reaching out to Vicki to finalize this 15-minute task, aiming for the site to be live by the following morning ([00:40:38](#)).

Toe Tripper 863: Who's talking like a

Jai Kishan: uh both both of it.

Hevardhan Saravanan: That is Gemini taking notes ma'am like like for the minutes of

Toe Tripper 863: Okay. Yeah.

Jai Kishan: Maybe we can maintain the same

Hevardhan Saravanan: meeting.

Toe Tripper 863: You know,

Jai Kishan: design.

Toe Tripper 863: I never realized but I realized it now that both of our colors are same.

Jai Kishan: So maybe we should uh sort

Toe Tripper 863: Only difference is yours is green, mine is yellow. Otherwise, the blue is the

Jai Kishan: of

Hevardhan Saravanan: Yeah. So, this is the homepage and Okay.

Toe Tripper 863: same.

Jai Kishan: match both no people I mean moving down the road that will be an plan for us but let

Hevardhan Saravanan: Uh

Toe Tripper 863: Yeah.

Jai Kishan: us get both the webs moving

00:00:47

Toe Tripper 863: But it is it is just it is coincidentally same.

Jai Kishan: first.

Toe Tripper 863: We never thought of it. I mean it was I think maybe the liking of the color

Hevardhan Saravanan: Hello. Hello.

Toe Tripper 863: Yes. Yes.

Jai Kishan: Yes. Yes.

Hevardhan Saravanan: One

Toe Tripper 863: Yes.

Hevardhan Saravanan: second.

Jai Kishan: Yes.

Hevardhan Saravanan: Yes.

Jai Kishan: Okay.

Hevardhan Saravanan: Uh so so there are two things which I yet need to do which is like when you click this WhatsApp

Jai Kishan: We'll

Hevardhan Saravanan: button now it is taking to this number but uh I have to

Jai Kishan: Yeah.

Hevardhan Saravanan: change this to your number. So like which number it needs to go we need to configure that

Jai Kishan: temporarily.

Hevardhan Saravanan: part.

Jai Kishan: I think you put my number. Eventually, we can change, right?

Hevardhan Saravanan: Yes sir we can tell

Jai Kishan: You put my 017 number, my Malaysia WhatsApp number.

Hevardhan Saravanan: uh one second sir.

Jai Kishan: 01 + 6.

Hevardhan Saravanan: Uh is is that number in the group sir?

00:01:47

Jai Kishan: Yes, that is the number in the group.

Hevardhan Saravanan: Uh okay sir then I'll add add that number directly.

Jai Kishan: Correct. That is one.

Hevardhan Saravanan: Uh and

Jai Kishan: But two, I asked you to remove the rates now.

Hevardhan Saravanan: uh yes

Jai Kishan: Okay, let's run to this one. This page is perfect, right?

Hevardhan Saravanan: sir.

Jai Kishan: Go building. Go up. Go up.

Hevardhan Saravanan: Okay.

Jai Kishan: Sorry. Now, see, it has come up.

Hevardhan Saravanan: Uhhuh.

Jai Kishan: Well, it doesn't look out of

Hevardhan Saravanan: Hi. Yes sir. I've changed it accordingly.

Jai Kishan: space. The borders maybe we can give a bolder color.

Toe Tripper 863: No J on the screen it is looking good when you see maybe because he's sharing

Jai Kishan: Nice. Okay. Okay. Okay.

Hevardhan Saravanan: Uh,

Jai Kishan: I will leave it

Toe Tripper 863: the screen that's why it looks like that but if you see actual me it looks correct

Jai Kishan: in reality.

Toe Tripper 863: going beyond borders that borders is like separately so it

00:02:30

Jai Kishan: Okay. Okay. Building partnerships. This is perfect. Okay.

Hevardhan Saravanan: you think

Jai Kishan: This page is done. Now go to to

Hevardhan Saravanan: Yes, sir. I'm back. Yeah. So this thing and then uh this is like basic search box like they can directly search for the packages.

Jai Kishan: So I thought when we click on tour it goes to the second page.

Toe Tripper 863: No, no,

Hevardhan Saravanan: goes to page.

Jai Kishan: Huh?

Toe Tripper 863: that it will go to tours page. That's not the tour page.

Jai Kishan: Okay.

00:03:31

Toe Tripper 863: So on the second page so he is given two uh two

Jai Kishan: Two options.

Toe Tripper 863: options either you go to

Jai Kishan: Okay. We go to second page then. Page

Toe Tripper 863: tours

Jai Kishan: two.

Hevardhan Saravanan: And second thing is a search box where people can choose which place they are want to go.

Jai Kishan: So all this if they click it's coming something is coming there or anything.

Hevardhan Saravanan: Yes sir. Penang. And if I do like day two and if I click search it will show like okay there are no day to what one second because because there are no tours in

Jai Kishan: So these things we have to be very careful because once we No,

Hevardhan Saravanan: Penang. So like Penang and if I do like Koala

Jai Kishan: there is lot of tve

Hevardhan Saravanan: Lur and if I do like all tours it will show.

Jai Kishan: Sorry,

Hevardhan Saravanan: Yes sir.

Jai Kishan: don't worry. The result will come out well.

Hevardhan Saravanan: Yes sir.

Toe Tripper 863: No,

Hevardhan Saravanan: It is it

Toe Tripper 863: it's really come out very

Jai Kishan: But you should not sacrifice your meal.

Hevardhan Saravanan: is

Jai Kishan: You should always take time to have your meal and work.

Toe Tripper 863: well.

Hevardhan Saravanan: Yes sir.

Jai Kishan: Then you work better.

00:05:10

Hevardhan Saravanan: Yes sir. I was in I was in Pune sir.

Jai Kishan: Uh

Hevardhan Saravanan: I went for some my I went to collect my brother's uh board exam mark sheet and I just landed in Mumbai.

Hevardhan Saravanan: I'll do it ma'am. I'll do it

Jai Kishan: So,

Hevardhan Saravanan: ma'am.

Toe Tripper 863: share.

Jai Kishan: then what you do quickly run through see whichever is not active you say in the process or something when they click we are in the process of updating. I don't want something which people click and it's blank or it's got some wrong

Hevardhan Saravanan: Sir,

Jai Kishan: information.

Hevardhan Saravanan: everything is working perfectly sir because in the tour uh section

Jai Kishan: Okay.

Toe Tripper 863: Michael.

Hevardhan Saravanan: Um if I search for like if I go here um and if I select Pang Pang and I just click search it shows this this tour and if I click view

00:06:13

Jai Kishan: Okay. Preview the itinary.

Hevardhan Saravanan: it you can see the itary Everything is up and running sir.

Jai Kishan: Okay. So international tours also you take out the rates. Don't put any rates for the tours.

Hevardhan Saravanan: Yes sir.

Jai Kishan: Then what I'll do? So I'll have to ask them to sit down and one by one go through all the tour packages for domestic

Hevardhan Saravanan: Yes sir.

Jai Kishan: first for international what we can

Hevardhan Saravanan: Okay sir.

Jai Kishan: do you know

Toe Tripper 863: Yes, I'm here.

Jai Kishan: our international tour packages you should put whatever packages you are selling also inside here the same packages with the ringit price so when we get booking we can channel it through to triple straight away rather than duplicate getting it one from our side and one from their

Toe Tripper 863: I have

Jai Kishan: side.

Hevardhan Saravanan: But but Nikki is not doing any packages as such, right?

Jai Kishan: That's why we must think of something where we put some packages of for now world tour. We must just keep it as under development.

00:07:26

Jai Kishan: We should not open it

Hevardhan Saravanan: Sir,

Jai Kishan: up.

Toe Tripper 863: No J let it be open. Let people get connect to you and then you root the inquiry to us.

Hevardhan Saravanan: actually

Jai Kishan: Okay.

Toe Tripper 863: Let it be that way. How does that matter? I am you are the face of the client. Whoever gets you an inquiry will come to you. Mostly Malaysians or

Jai Kishan: Okay. International tours. How many we have

Toe Tripper 863: whoever

Hevardhan Saravanan: international tools. We have 36 9th

Jai Kishan: there?

Toe Tripper 863: is okay.

Hevardhan Saravanan: person.

Toe Tripper 863: And and probably and more when uh you know something maybe one more tab and we say and more connect to no

Jai Kishan: Okay. One more thing. Tomorrow,

Toe Tripper 863: more.

Jai Kishan: tomorrow afternoon you go toward Johnson.

Toe Tripper 863: something like that that we can do later.

Jai Kishan: We have the group arrival

Hevardhan Saravanan: Okay, man.

Toe Tripper 863: Maybe one more box and many more.

00:08:13

Jai Kishan: right

Toe Tripper 863: A box and many more contact us. So, you know that doesn't say that it's not restricted to

Hevardhan Saravanan: Got it.

Jai Kishan: before going there you call me.

Hevardhan Saravanan: Got

Toe Tripper 863: that.

Jai Kishan: I'll tell you what what I have done.

Hevardhan Saravanan: it.

Jai Kishan: Huh. Now if you want you can connect on the meeting. Thanks. Thanks.

Toe Tripper 863: Oh, there he's busy

Jai Kishan: No.

Toe Tripper 863: shopping.

Jai Kishan: No. No. He's at home. He's just trying to connect with us. I think the island is coming also on board. Okay. So, we leave the packages there. Take out the rates. The date to us what's coming. The date was no date

Hevardhan Saravanan: Sir

Toe Tripper 863: They

Jai Kishan: was.

Hevardhan Saravanan: that is also running sir.

Jai Kishan: So here again please take out the rates done.

Hevardhan Saravanan: Okay

Toe Tripper 863: J. But let it be.

Hevardhan Saravanan: sir.

Toe Tripper 863: How does it matter?

00:09:12

Jai Kishan: Okay.

Toe Tripper 863: It says starting from they are not the fixed price.

Jai Kishan: Yeah. But this is very old rate. It's giving wrong information.

Hevardhan Saravanan: Yeah,

Jai Kishan: I don't think we should because 60 misdirecting.

Hevardhan Saravanan: it'll look like misdirecting the client sort

Jai Kishan: I would rather contact us or you know reach out or something for the

Hevardhan Saravanan: of.

Jai Kishan: but meanwhile what I'll do at the back end I'll get ba bani to sit down

Toe Tripper 863: Or one minute, one minute. I have an option. I had seen on one other website.

Jai Kishan: and

Toe Tripper 863: When you say price from, let that price from be and then down wherever in the admin page you have this uh section

Hevardhan Saravanan: H.

Toe Tripper 863: for ringit update.

Hevardhan Saravanan: Yes. Yes, ma'am.

Toe Tripper 863: You can say uh contact for rates.

Hevardhan Saravanan: Okay. So, I'll show

Toe Tripper 863: Everywhere you put contact for a on the admin

Hevardhan Saravanan: that.

Toe Tripper 863: page, what do you say J?

00:10:10

Jai Kishan: meaning leaving the rates there.

Toe Tripper 863: No, no, don't leave the

Jai Kishan: Yeah,

Toe Tripper 863: rates.

Jai Kishan: correct. So there we should put the contact us for the rates or reach

Toe Tripper 863: Huh? So instead of

Jai Kishan: out

Toe Tripper 863: being

Hevardhan Saravanan: So I'll try changing this place. No. Okay. Actually, yeah, it is like you can only enter numerical type of. So I have I I can I can edit

Toe Tripper 863: Oh, you can't do that. It's not a free

Hevardhan Saravanan: it into it as a free text.

Toe Tripper 863: text.

Jai Kishan: No, just for the time being because we want to launch it immediately. Eventually, what I'll do when it's live, I'll ask whoever is responsible for the costing,

Hevardhan Saravanan: Yeah.

Jai Kishan: I'll ask them to go and come up with the costing for this.

Toe Tripper 863: Or or one more option is if I don't know that works or it is too much as I mean it should not be too much hassle for you when you say price from and then you just have a contact us button like contact us price from

00:11:04

Hevardhan Saravanan: Got it.

Toe Tripper 863: and they click on it it says contact us that popup should come up hello are

Hevardhan Saravanan: One second. Mom, my my Firefox is Am I audible? No, ma'am. Yes, ma'am. I got it. I'll do

Toe Tripper 863: Yeah.

Hevardhan Saravanan: that. So I

Toe Tripper 863: And the pictures are also really good.

Hevardhan Saravanan: guess

Toe Tripper 863: They are like really HD versions. I mean, they're bright and nice.

Hevardhan Saravanan: Yes, ma'am.

Jai Kishan: But Genting, which hotel is this? I'm just wondering. I've never seen this hotel. There you The gent that

Hevardhan Saravanan: Which one's uh I just I just

Jai Kishan: image

Hevardhan Saravanan: took like I just said AI to fill up with relevant images. So it took images and it filled it on its own.

Jai Kishan: this one is not gent.

Hevardhan Saravanan: Yeah.

Jai Kishan: What you can do maybe you can uh look for first can

Hevardhan Saravanan: Yes sir.

Jai Kishan: think or you look for

00:12:21

Toe Tripper 863: I want to

Hevardhan Saravanan: Hat.

Jai Kishan: uh thing you can put because they are also light. Otherwise you can put what is that

Toe Tripper 863: Didn't

Jai Kishan: one? Skyworld thing also is Sky World theme park pictures you can put at the background because Ging is about the theme park. So you look for Skyward theme park and put those images.

Hevardhan Saravanan: Okay sir.

Jai Kishan: Okay. Then transport. Let's look at the transport.

Hevardhan Saravanan: Yes sir. So tra.

Jai Kishan: This is what you all have done

Hevardhan Saravanan: Yes sir.

Jai Kishan: yesterday.

Hevardhan Saravanan: Transport is like you can search which city to go from and

Jai Kishan: So these are all the real time rates

Hevardhan Saravanan: Uh yes sir.

Jai Kishan: right given that that is

Hevardhan Saravanan: These are the rates which u dial me. Yes.

Jai Kishan: correct.

Hevardhan Saravanan: Yes.

Jai Kishan: Okay.

Hevardhan Saravanan: And then Yes ma'am.

Jai Kishan: So here it's working perfectly right.

Hevardhan Saravanan: Yes sir.

Toe Tripper 863: Yeah,

Hevardhan Saravanan: Sorry.

Toe Tripper 863: I checked.

00:13:21

Toe Tripper 863: I checked.

Hevardhan Saravanan: When you click

Jai Kishan: Lovely.

Toe Tripper 863: Just go to Lankabi Han.

Hevardhan Saravanan: Bavi

Toe Tripper 863: I want to see again. Lankabi has had an issue. Do any

Hevardhan Saravanan: and search

Jai Kishan: But Lankawi to where Lankawi is a island.

Hevardhan Saravanan: one.

Toe Tripper 863: Yeah.

Jai Kishan: So it gives you the transfer rates in Lankavi.

Hevardhan Saravanan: Yes sir. Yes

Jai Kishan: Okay.

Hevardhan Saravanan: sir.

Jai Kishan: This is airport

Toe Tripper 863: Okay.

Jai Kishan: J. Then do they have any tour rates there? No, it's only transfer rates.

Hevardhan Saravanan: only transfer

Toe Tripper 863: Two rates. It's already in day two.

Jai Kishan: Okay, this is good enough.

Toe Tripper 863: No. How can you have to send under

Hevardhan Saravanan: it.

Jai Kishan: Okay. No, no, transfer rates are good enough.

Toe Tripper 863: transportation?

Jai Kishan: Something people can go and see. There's one thing we forgot all of us, but eventually we'll come to that. Not now.

Hevardhan Saravanan: Okay,

00:14:11

Jai Kishan: Second round.

Hevardhan Saravanan: sir.

Jai Kishan: Hotels. If you want make a note and keep since we have packages,

Hevardhan Saravanan: Hi. Yes, sir.

Jai Kishan: uh transport, we can also have a column for hotel rates.

Toe Tripper 863: same on this we can replicate the same code on the hotels also.

Jai Kishan: We can just

Hevardhan Saravanan: Like transportation hotel m about contact is it like that?

Jai Kishan: get if

Toe Tripper 863: Yeah.

Hevardhan Saravanan: H. What is

Toe Tripper 863: So people who want only

Hevardhan Saravanan: it?

Jai Kishan: somebody wants we can I can speak to hotels and get the rates and put inside there selected

Toe Tripper 863: hotel

Jai Kishan: hotels or preferred hotels.

Hevardhan Saravanan: Got it, sir.

Jai Kishan: Okay, but that we'll do later. We don't have time for that now. Let's look at mice then.

Hevardhan Saravanan: Yes, sir.

Toe Tripper 863: but you know what J I feel all that you should put it in agent login rather than putting it on the main page

Jai Kishan: They

Toe Tripper 863: Boss. you are selling it to B2B.

00:15:00

Toe Tripper 863: You cannot keep the rates open for others to view.

Jai Kishan: can that's also another thing. This one you have to

Toe Tripper 863: So no dark in

Hevardhan Saravanan: Yes, sir. It is very dark. I have to make it out a little bit

Jai Kishan: sorry

Toe Tripper 863: the sense what he means to say the picture is not visible.

Hevardhan Saravanan: brighter.

Toe Tripper 863: Maybe you can lighten up the

Hevardhan Saravanan: Huh?

Toe Tripper 863: transparency.

Hevardhan Saravanan: Yes. Yes.

Jai Kishan: so that see they can see something like a meeting arrangement at the

Hevardhan Saravanan: I'll do that.

Jai Kishan: background.

Hevardhan Saravanan: Got it. Uh this one and then I need we discussed

Jai Kishan: Okay. This is all I think uh Nikita has done all this

Hevardhan Saravanan: last day only about

Jai Kishan: right Nikita proof

Toe Tripper 863: No,

Hevardhan Saravanan: sir.

Jai Kishan: uh that scooter what is it called we did for one group of 20 corporate clients in Putra what is that name of that right they did tour on that uh it's some kind of a scooter but it's got a different name I forgot the name

Thayaalan Kumar: Segue. Segue.

00:19:16

Thayaalan Kumar: Segue.

Jai Kishan: segue segue correct

Thayaalan Kumar: Segue.

Toe Tripper 863: Lights

Toe Tripper 863: I'll put up

Jai Kishan: website website and then you have a stock photo customer photo.

Hevardhan Saravanan: So,

Toe Tripper 863: So when that's

Jai Kishan: I just put in the stock photo. Is it

Toe Tripper 863: done,

Jai Kishan: talent?

Hevardhan Saravanan: so you can add it in customer photos.

Thayaalan Kumar: Put for the for the clients one you can put in the customer photo.

Hevardhan Saravanan: So after that after mice

Jai Kishan: Yeah, you keep going on mice. You will look at the other things on mice.

00:21:11

Hevardhan Saravanan: Sir, I guess mice is done sir. Uh if apart from

Hevardhan Saravanan: Yes sir. Share with

Jai Kishan: Okay,

Thayaalan Kumar: Interest.

Jai Kishan: perfect.

Hevardhan Saravanan: Peter.

Jai Kishan: upload. Okay, I'm loading it now. So about us.

Hevardhan Saravanan: Yes

Jai Kishan: Okay,

Hevardhan Saravanan: sir.

Jai Kishan: move up. Move up. More up. Yeah, this is beautiful. That twin tower image is very nice. Okay,

Hevardhan Saravanan: Hi. Yes,

Jai Kishan: only the pictures I said we must madam's picture somehow I feel it's not

Hevardhan Saravanan: sir.

Jai Kishan: very realistic isn't it? I mean for now we leave it there but eventually we need to change that picture I think but what I've told

00:22:30

Thayaalan Kumar: Okay.

Jai Kishan: him now can you go up a

Thayaalan Kumar: I don't

Jai Kishan: bit okay I

Hevardhan Saravanan: Yes,

Thayaalan Kumar: know.

Hevardhan Saravanan: sir.

Jai Kishan: said okay this is what I told him meet the minds behind you two right and then that our team I want him to bring it down and put it as our core team and then put all your images first and our images at the last because the core team is you guys who are doing the work we are at the background so I wanted it to be the reverse is that okay

Thayaalan Kumar: Uh that's okay.

Jai Kishan: hello

Thayaalan Kumar: That that will be a good idea

Jai Kishan: that's what I was telling then I folder there. Will that

Toe Tripper 863: Yeah. Yeah. Hey, Vadan,

Jai Kishan: work?

Hevardhan Saravanan: Yes, ma'am.

Toe Tripper 863: you'll have to put the core team on top and the uh

Hevardhan Saravanan: Huh?

Toe Tripper 863: uh director and they at the bottom of the page

Hevardhan Saravanan: What? Yes,

Jai Kishan: Bring all the Yeah.

00:23:38

Toe Tripper 863: like

Hevardhan Saravanan: ma'am. Got

Toe Tripper 863: and uh J's image see it's

Hevardhan Saravanan: it.

Jai Kishan: And then I will share Karishma's picture.

Toe Tripper 863: not

Jai Kishan: Let

Hevardhan Saravanan: Yes, sir.

Toe Tripper 863: See if you can make J's image similar to the other profile it would be great. The reason being all the images are in blue and gray only J image background is

Hevardhan Saravanan: Uh,

Toe Tripper 863: standing out. See go down the all are light background.

Hevardhan Saravanan: got it.

Jai Kishan: me change the background.

Hevardhan Saravanan: I mean, uh,

Jai Kishan: I actually like the background on Pima's image

Hevardhan Saravanan: I don't know.

Jai Kishan: photo.

Toe Tripper 863: Yeah, let it be plain for everybody

Jai Kishan: If you see that behind there's a nice world

Toe Tripper 863: here.

Jai Kishan: map.

Hevardhan Saravanan: Uh, okay, ma'am. I'll I'll work on it.

Jai Kishan: The island did his image very nicely compared to other and you did all this right. I like barika. I like bali is

00:24:54

Thayaalan Kumar: I just use the original pictures that the remaining AI

Jai Kishan: nice.

Thayaalan Kumar: did.

Jai Kishan: No other pictures are all come out very well. Just madam's one I think because of a picture which he gave the eyes look at some grains on it.

Toe Tripper 863: So,

Jai Kishan: It's not very I mean here it doesn't look when I

Toe Tripper 863: so all the pictures have been provided by is it?

Hevardhan Saravanan: Yes. Yes.

Jai Kishan: look at on the main screen when I is the background behind all

Hevardhan Saravanan: Yes.

Toe Tripper 863: So, T and why don't you remove J's also background? Yeah. So,

Jai Kishan: this.

Toe Tripper 863: then let the T and why don't you only give him the correct picture? remove uh J's also background and make it gray. Let's standardize everything and let everybody's picture be on a uh light background. Even in for Bhavani, there is some picture behind it's not plain. So just remove that and make it gray back like how it is for uh best other people see they are all professional.

00:25:53

Toe Tripper 863: Don't give any background.

Thayaalan Kumar: Okay,

Hevardhan Saravanan: Mhm.

Jai Kishan: That can be done at a later stage.

Thayaalan Kumar: madam.

Jai Kishan: But for now, like she said, only my picture. If you can do some touch-up, make me look more handsome, that's okay. I don't mind. Or you can just leave it as it is.

Toe Tripper 863: and share Kareshmo's picture also there ask a

Jai Kishan: But just like one, I'll send you. And now I'll stick

Toe Tripper 863: take some pictures from yeah take some picture from J

Jai Kishan: with

Toe Tripper 863: and make Arishma's picture also similar

Thayaalan Kumar: Yeah, sure.

Jai Kishan: so we do that tonight.

Hevardhan Saravanan: Yes.

Jai Kishan: I mean even if we don't give the pictures you just change what we are existing ever

Hevardhan Saravanan: Yes,

Jai Kishan: then just change the presentation like how we have discussed the

Hevardhan Saravanan: sir. Yes,

Toe Tripper 863: Yeah, you can on

Hevardhan Saravanan: sir. Yes, sir.

Jai Kishan: rest is okay.

Hevardhan Saravanan: Got it.

Toe Tripper 863: later.

00:26:44

Hevardhan Saravanan: Okay, sir. And then after that testimonials.

Jai Kishan: It's real real one. So it's okay. We can leave it there.

Hevardhan Saravanan: Yes sir.

Jai Kishan: after that.

Hevardhan Saravanan: And then that's it sir. Final start.

Jai Kishan: Okay. Ready to travel. Okay. Excellent. So, we have come to where we want now.

Hevardhan Saravanan: Yes sir.

Jai Kishan: Then contact goes

Hevardhan Saravanan: Next one.

Jai Kishan: to

Hevardhan Saravanan: So contact is there a separate page where your address and then there is a simple form where people

Toe Tripper 863: The screen is uh

Jai Kishan: Okay, that's okay.

Toe Tripper 863: okay.

Hevardhan Saravanan: can

Jai Kishan: Now the other thing we discussed about is the last part of it is the QR

Toe Tripper 863: No, one more thing. One minute before we one minute J the No wait

Jai Kishan: code. How do we sorry

Toe Tripper 863: the WhatsApp contacts you have to give him some

Jai Kishan: yeah

Hevardhan Saravanan: Yeah. Yeah. Jer said to uh use the his his current WhatsApp

00:27:36

Toe Tripper 863: number

Jai Kishan: I said put my number for the time being until I decide who is going to do it.

Hevardhan Saravanan: number.

Toe Tripper 863: why don't you uh why don't you give uh Bavika or Danusha's number or Banani's number because you will be on the

Jai Kishan: Yeah, but Monday I'm having a

Toe Tripper 863: go.

Jai Kishan: meeting.

Toe Tripper 863: You will be on the go. J, how many are you going to forward? You will not have the bandwidth. Once you are presenting and people start scanning and sending WhatsApp, you will go crazy.

Jai Kishan: Because their numbers are all India numbers. That's okay. Isn't it number won't appear?

Toe Tripper 863: Who do I give

Jai Kishan: How was the number?

Toe Tripper 863: Banani's number?

Jai Kishan: No. No. Danusha is on 4 days medical

Toe Tripper 863: No.

Jai Kishan: leave

Toe Tripper 863: Bani

Jai Kishan: not knowing cannot handle that. Banani is not the right

Hevardhan Saravanan: that I

Toe Tripper 863: or give Kishma's number.

Jai Kishan: person.

00:28:46

Toe Tripper 863: Oh, she's not

Hevardhan Saravanan: can

Toe Tripper 863: available.

Jai Kishan: If she starts classes, she may not be available for some time. the only employee who is available

Toe Tripper 863: Okay.

Jai Kishan: 24.

Toe Tripper 863: Okay. Fine.

Jai Kishan: I'm just kidding. These guys all do the same thing. So for the time being either I can put me or I can put uh who else? Danusha is a better choice. But Danusha for the next four days she's going for some medical issues.

Toe Tripper 863: Okay,

Jai Kishan: So she's not around.

Toe Tripper 863: fine. Then then I think let's have

Jai Kishan: So on the 28th I want somebody to be active.

Toe Tripper 863: yours.

Jai Kishan: Just have it at least mine.

Toe Tripper 863: Okay.

Jai Kishan: I can uh react immediately.

Toe Tripper 863: Okay. Fine.

Jai Kishan: So for the time being we keep

Toe Tripper 863: Understood.

Hevardhan Saravanan: sir because uh every leads that you get from the website is going to be through WhatsApp only

00:29:28

Jai Kishan: that

Hevardhan Saravanan: because email is not done yet.

Jai Kishan: but email there's one inquiry page there's an email right they can email as

Hevardhan Saravanan: So,

Jai Kishan: well.

Hevardhan Saravanan: so every enquiry page uh like uh everything is configured through um WhatsApp only. So, for example, I'm going here and like I'm I'm clicking this dinner transfer itary and uh I I click book this tour. I filled in the detail like and then my phone number which is let's just say okay and I click confirm and message on WhatsApp it it takes you to the WhatsApp and then it takes you to the like respect to WhatsApp and then this gets directed

Jai Kishan: Darren, in this case,

Hevardhan Saravanan: to

Jai Kishan: should we put your number?

Thayaalan Kumar: um can sir but the thing is however I will forward to our sales

Jai Kishan: You must forward to the sales team.

Thayaalan Kumar: team.

Jai Kishan: Why I'm saying if it is transport, you can straight up pick it up and pass to is what?

Thayaalan Kumar: Mhm.

Jai Kishan: Because part no my thing is mostly it will come regarding

00:30:51

Thayaalan Kumar: Oh

Jai Kishan: transport.

Thayaalan Kumar: yeah.

Jai Kishan: It can either be your number or my number because only both of us can quickly react on it or let's leave it as my number for the time being.

Thayaalan Kumar: Okay.

Jai Kishan: We'll see how it goes. Then we will change it to the next number. So I I will take the responsibility to react on

Thayaalan Kumar: Fine sir.

Toe Tripper 863: You do you have a common email ID where everybody accesses it?

Thayaalan Kumar: I think we have one common s we do have one common email sir remember

Jai Kishan: No,

Thayaalan Kumar: uh it was I think ask you to is it sir yeah I think remember sir was asking me that to keep

Jai Kishan: we have No, that one we shut down. What?

Thayaalan Kumar: one email commonly that way everyone can

Jai Kishan: Already?

Thayaalan Kumar: have the

Jai Kishan: No, but that is not active anymore, right? because we closed the Google drive.

Thayaalan Kumar: I believe there was uh one sir because we was using that.

Jai Kishan: It was in the Google right earlier.

00:31:51

Thayaalan Kumar: No no no we have changed it to everything was changed to outlook.

Jai Kishan: So if it is still available then what we can do for the email page where they have an email inquiry page

Thayaalan Kumar: Uh now that

Jai Kishan: we can give that email. So it'll go to everybody. Somebody can pick up and react.

Thayaalan Kumar: email we can give it I believe that is the

Jai Kishan: Now you give to So when he get in touch with

Thayaalan Kumar: sales one at uh YouTube servers I

Jai Kishan: uses

Thayaalan Kumar: think sales

Jai Kishan: one no sales one goes to Karishma.

Thayaalan Kumar: one. Yeah.

Jai Kishan: No no sales one only goes to Karishma.

Thayaalan Kumar: Okay.

Jai Kishan: She we have done something for the our AI but you need

Thayaalan Kumar: Okay.

Jai Kishan: to check what it is. Who did the migration was done by Vicki? Right. You check with Vicki.

Thayaalan Kumar: Okay. Okay, sir. Fine. Okay, sir.

Jai Kishan: Okay. Now coming back to the final point of our now on that day

00:32:48

Hevardhan Saravanan: Um,

Jai Kishan: when I say okay this is our new website. Look, I'm going to do on my laptop and show. We should show them a QR code. Tell everybody look you can scan this QR register yourself and download

Hevardhan Saravanan: QR is fine. Easy, sir. Like QR just go

Jai Kishan: our RA there.

Hevardhan Saravanan: here. You

Jai Kishan: And what you should do now that when they QR and go to the

Thayaalan Kumar: Okay,

Hevardhan Saravanan: are

Thayaalan Kumar: sir.

Jai Kishan: website they register their name everything immediately you know the trade sheet we did for goa

Thayaalan Kumar: Uh-huh.

Jai Kishan: that they should be able to download. You know,

Thayaalan Kumar: But the that file is separately we have created

Jai Kishan: either we can do

Hevardhan Saravanan: That's it,

Jai Kishan: that.

Hevardhan Saravanan: sir. If you scan this QR, it'll take you to the website,

Thayaalan Kumar: sir.

Toe Tripper 863: Not the website.

Hevardhan Saravanan: sir.

Toe Tripper 863: It has to go directly to the agent signup page for them.

00:33:45

Jai Kishan: It'll take to the website.

Hevardhan Saravanan: Okay.

Jai Kishan: So when they sign up, the next step should be they should download the packages or the great sheet. How do you do

Toe Tripper 863: So that that you have to write in your presentation.

Jai Kishan: that?

Toe Tripper 863: Scan the QR and download the rate sheet or scan the QR.

Jai Kishan: I'll do that when I'm doing the

Toe Tripper 863: Sign up.

Jai Kishan: presentation.

Toe Tripper 863: Scan the QR.

Jai Kishan: And download sign up and download.

Toe Tripper 863: Sign up and download the rate sheet. Yes. Sign up and download the rate sheet.

Jai Kishan: So when they sub that once they sign up and submit it should automatically go download the how does how it's done this guys should work it out technically now today you got what I'm telling

Hevardhan Saravanan: Is that so?

Thayaalan Kumar: Uh, I got it. But the challenger when the agent sign up and

Jai Kishan: H

Thayaalan Kumar: they you want you want them to download the red sheet is it through

00:34:52

Toe Tripper 863: Not through QR then

Jai Kishan: either we can give the red sheet or the second option is the package promo

Thayaalan Kumar: QR.

Toe Tripper 863: the

Jai Kishan: packages. Either one of it there should be a no no for them there should be a reason to sign in. See if I simply tell them you sign in they won't sign in. So tell them okay when you sign in you can get something in return then they will sign in.

Thayaalan Kumar: Okay.

Jai Kishan: It's like a

Thayaalan Kumar: Uh, what we can do? We can put the promo package sir.

Jai Kishan: bit

Thayaalan Kumar: Uh, but I need the help of H and bro.

Hevardhan Saravanan: Yeah.

Thayaalan Kumar: Can you like link the sign up page to the

Jai Kishan: Come

Hevardhan Saravanan: Mhm.

Thayaalan Kumar: PDF file? Which means like how sir asking like once sign up they can access the file to

Hevardhan Saravanan: If we can do that.

Thayaalan Kumar: download it.

Hevardhan Saravanan: Yeah.

Thayaalan Kumar: Is it

Hevardhan Saravanan: So like Yeah. Yeah. We can do that.

00:35:42

Hevardhan Saravanan: So like when when someone fills this form when it's when when the form is successful you can uh

Thayaalan Kumar: possible?

Jai Kishan: on.

Hevardhan Saravanan: it'll redirect to a PDF uh

Toe Tripper 863: Okay.

Hevardhan Saravanan: view

Toe Tripper 863: So if I register as a YouTube partner, okay, it should when I say submit Right.

Hevardhan Saravanan: H.

Toe Tripper 863: uh it will u uh allow it has to go to the next page says download the rate sheet

Hevardhan Saravanan: Yes, ma'am.

Jai Kishan: Okay. What we'll do

Toe Tripper 863: or um or I have one more

Hevardhan Saravanan: Yes,

Jai Kishan: then

Hevardhan Saravanan: sir. Yes,

Toe Tripper 863: option or uh a message popping up

Hevardhan Saravanan: ma'am.

Jai Kishan: he's saying something

Toe Tripper 863: as soon as they sign up they put their email id The rate sheet has to get emailed to them. Does that happen?

Hevardhan Saravanan: Okay ma'am both can be done ma'am like uh either on a on a separate uh

Jai Kishan: b****

Hevardhan Saravanan: separate page will come where you can they can click download download download rate sheet and then they can download the rate sheet or it'll go to their email.

00:36:51

Hevardhan Saravanan: I mean both can be done. So it's up to you which one you want.

Toe Tripper 863: No, I feel the email is better.

Jai Kishan: option is such a

Toe Tripper 863: Reason being,

Hevardhan Saravanan: Okay.

Toe Tripper 863: no, the reason being you will be able to verify the right

Hevardhan Saravanan: Okay.

Jai Kishan: Not all the travel agents are

Toe Tripper 863: email. No, no, it's not about text.

Hevardhan Saravanan: Mhm.

Toe Tripper 863: You're by sending an email,

Jai Kishan: X

Toe Tripper 863: you're doing two things. One is you're reverifying the email that the email has gone or let the another option is okay tell me what is important to you uh the email is important or the phone number is important

Jai Kishan: both is equally important. When we capture database,

Toe Tripper 863: no so I'll tell you where I'm coming from can we if

Jai Kishan: it'll automatically be email

Toe Tripper 863: so on do we have an option of emailing and WhatsAppapping the rate

Jai Kishan: and

Toe Tripper 863: sheet to the uh signed up agency or we can do either one

00:37:54

Hevardhan Saravanan: ma'am sending through WhatsApp I don't think it can be done ma'am because it

Toe Tripper 863: you have to have a meter right for that

Hevardhan Saravanan: had Yeah we have to have meta premium I mean meta business

Toe Tripper 863: okay he has a business account but meta he doesn't

Hevardhan Saravanan: account no that's like business as in business for

Toe Tripper 863: have Oh okay okay then WhatsApp will not

Hevardhan Saravanan: developers. Yeah. So,

Toe Tripper 863: go.

Hevardhan Saravanan: yeah. And then and then and then for that we have to write an entire separate script and things.

Toe Tripper 863: Okay.

Hevardhan Saravanan: So, it's it it cannot be done by

Toe Tripper 863: Okay.

Hevardhan Saravanan: tonight.

Toe Tripper 863: My concern is with email only one thing.

Hevardhan Saravanan: Yes,

Toe Tripper 863: If you email the person if it's a new new it may go in as

Hevardhan Saravanan: ma'am.

Toe Tripper 863: spam. So then what to do or you have to check you have to tell them that kindly check your spam. So once you sign up there has to be a popup a popup saying that kindly check your email for the rate sheet uh and then spam folder as well

00:38:47

Hevardhan Saravanan: If not, check the spam folder.

Toe Tripper 863: then that disclaimer has to go.

Hevardhan Saravanan: Got it. We can do that now. Okay.

Toe Tripper 863: I think that works.

Jai Kishan: Okay. So we'll make it real time today. Then once you have done the first QR code you send

Hevardhan Saravanan: Yes sir.

Jai Kishan: to Nikita.

Thayaalan Kumar: Come

Hevardhan Saravanan: H sir one more thing is sir uh sir one more thing is

Jai Kishan: Nikita will be the first agent to register with us.

Thayaalan Kumar: on.

Jai Kishan: If Nikita gets it that means we know it's active.

Hevardhan Saravanan: right now the link is in sir the link is in some YouTube dev.app app, right? So,

Toe Tripper 863: It's on a different uh app right

Hevardhan Saravanan: the the it's not in the in our

Jai Kishan: Sorry.

Toe Tripper 863: now.

Hevardhan Saravanan: domain.

Toe Tripper 863: It's not live on the system.

Hevardhan Saravanan: Yeah.

Toe Tripper 863: What he means to

Hevardhan Saravanan: You uh YouTube.com.

Toe Tripper 863: say

Jai Kishan: So, what do we do?

00:39:36

Hevardhan Saravanan: Just so we have to uh we have to talk to someone

Jai Kishan: Uh, okay.

Hevardhan Saravanan: who's handling this domain. We have to uh go live like we have to transfer the DNS portal to it.

Jai Kishan: Oh,

Hevardhan Saravanan: Yes

Jai Kishan: but I thought we already taken over this one now from uh V wiki.

Hevardhan Saravanan: sir.

Jai Kishan: I thought you spoke to Wiki and we have already done this

Hevardhan Saravanan: No sir.

Jai Kishan: part,

Hevardhan Saravanan: Uh I I spoke to Vik and we were like uh he said it can be done but we didn't do

Jai Kishan: right? Migrated to a new What is the story on this?

Hevardhan Saravanan: it

Jai Kishan: But why we didn't do it? How long does it

Hevardhan Saravanan: sir.

Jai Kishan: take?

Hevardhan Saravanan: It'll take hardly like 10 15 minutes to do it because uh I I'll show how it is done

Jai Kishan: Because this whole exercise depends on that

Hevardhan Saravanan: first.

Jai Kishan: one.

Jai Kishan: I have already message him. Let's see whether he's responding to my message.

00:42:17

Hevardhan Saravanan: Yes.

Jai Kishan: Then I'll tell him you'll be in

Thayaalan Kumar: I will connect with him with you regarding the DNS server

Hevardhan Saravanan: Okay.

Jai Kishan: touch

Hevardhan Saravanan: Yeah.

Thayaalan Kumar: stuff.

Hevardhan Saravanan: Yeah. Sure.

Thayaalan Kumar: Yeah.

Hevardhan Saravanan: Cool.

Jai Kishan: there and in case you're talking to him in the morning before I wake up, you just tell him this is urgent because day after tomorrow we have a presentation and Mr.

Thayaalan Kumar: Mhm.

Jai Kishan: J is launching the new website.

Toe Tripper 863: One second.

Thayaalan Kumar: Okay sir.

Toe Tripper 863: I'm

Jai Kishan: I

Thayaalan Kumar: Like what what time before what time uh should be done sir?
Malaysia

Jai Kishan: tell him just you spend 15 minutes.

Thayaalan Kumar: time.

Jai Kishan: No, tomorrow if you all can do it by say 10 11:00 Malaysia

Thayaalan Kumar: Mhm.

Jai Kishan: time with available in the morning then we will run through live but the QR doesn't have to wait until tomorrow right if Nikita has

Thayaalan Kumar: Okay.

Hevardhan Saravanan: No sir.

Jai Kishan: to sign in it has to be

00:43:05

Hevardhan Saravanan: QR doesn't have to wait

Thayaalan Kumar: No, doesn't have to.

Jai Kishan: like

Thayaalan Kumar: Once I give the PDF file to a then he can connect with the the registration stuff

Hevardhan Saravanan: sir.

Thayaalan Kumar: and everything.

Jai Kishan: no but when we say our this is our new website and this is the QR how do we do that see what I'll do on that day I'll say okay this is our new after I do my presentation I'm going to show we are today actually launching our new website so they will go to the website on the website they should find the QR code or they should click the sign up and go to the QR code how do

Hevardhan Saravanan: H

Jai Kishan: they go to the QR code

Hevardhan Saravanan: so actually to go to the website like because you you'll be presenting in a big screen right like in a projector or something. Hello Huh.

Jai Kishan: Um I'll be doing a projector presentation. So at the pres end of the presentation I'll play the video live.

Hevardhan Saravanan: So

Jai Kishan: I mean play the website live.

00:44:02

Jai Kishan: So in the website you have the sign up.

Hevardhan Saravanan: h yes

Jai Kishan: Correct. So when they click on the sign up,

Hevardhan Saravanan: sir

Jai Kishan: does the QR code appear or where do where does the QR appear or it doesn't have to be a QR?

Hevardhan Saravanan: sir I was thinking like uh

Jai Kishan: That's what I'm asking. If they click on sign up,

Hevardhan Saravanan: um h if they click on sign up then it directly takes them

Jai Kishan: correct? They click on sign up,

Hevardhan Saravanan: to sign

Jai Kishan: enter the details.

Hevardhan Saravanan: Yeah.

Jai Kishan: Okay. Then once they say submit, it sends a email to them with the package.

Hevardhan Saravanan: Yes,

Jai Kishan: Is that right?

Hevardhan Saravanan: sir. Yes. Yes,

Jai Kishan: But then we don't need a QR.

Hevardhan Saravanan: sir.

Jai Kishan: We just tell them please sign up and download

Toe Tripper 863: No, you need a QR for them to take.

Jai Kishan: our

Toe Tripper 863: No, J,

Hevardhan Saravanan: From there for

Jai Kishan: latest.

00:44:46

Toe Tripper 863: you need a QR code for them to go to the website. Yeah, but nobody will scan from so far.

Jai Kishan: You mean it?

Toe Tripper 863: How will they scan?

Jai Kishan: What I'm saying Mikita if we tell them look this I'm doing my presentation right I do about 10 minutes presentation at the end of my presentation what I will say is today we are relaunching our new website then I will put our new website on the

screen and I'll tell them for those of you all are interested to get our special packages please sign up and you'll be our special packages will be emailed to you so they can quickly open this one and sign And once they sign up and register, submit, right? Register or submit,

Hevardhan Saravanan: Yes, sir. Yes, sir.

Jai Kishan: the package will be emailed to them.

Hevardhan Saravanan: H Yes,

Jai Kishan: Correct? In that case, we don't need a QR code,

Toe Tripper 863: But but now question

Jai Kishan: right? Because if if I show them a QR code,

00:45:39

Hevardhan Saravanan: sir.

Toe Tripper 863: is but J question is which email id will it

Jai Kishan: then I cannot show them. Hello.

Toe Tripper 863: go wrong.

Jai Kishan: Which email ID it will go from? That's a good point. Then how does it happen?

Hevardhan Saravanan: Sir, I have to look into that thing. I'll can you give me some time like I'll complete the other changes and then I'll I'll look into that and I'll let you know.

Toe Tripper 863: If that is troublesome then I think better is to just download it from the

Jai Kishan: Think about it because what she say is correct. the email is going but from

Hevardhan Saravanan: Mhm.

Toe Tripper 863: link.

Jai Kishan: where then

Hevardhan Saravanan: Exactly.

Toe Tripper 863: No, no, Jay. If we are not prepared,

Jai Kishan: they sign up and

Hevardhan Saravanan: Exactly.

Toe Tripper 863: if you're not prepared,

Jai Kishan: then

Toe Tripper 863: if we are not prepared for the email ID right now and that ask is not ready, then the better option is as soon as they scan, they sign up.

00:46:36

Toe Tripper 863: The next page is download the link. See,

Jai Kishan: No, my point is if we ask them to scan,

Toe Tripper 863: anybody knows how to click on the link on the

Jai Kishan: where will they scan from?

Toe Tripper 863: screen.

Jai Kishan: No, what I'm saying? No, the screen. This screen only will appear. What? YouTube travels. This website will appear. Where is going to be the QR code? Because we only have a sign up.

Toe Tripper 863: your presentation screen.

Jai Kishan: We don't have a Q.

Toe Tripper 863: No J your presentation screen will have the QR slide.

Jai Kishan: No, now when I tell them this is our new website, then I go to another slide is it and tell them okay scan from here. That's what you'll

Toe Tripper 863: Yeah. Yeah.

Jai Kishan: need.

Toe Tripper 863: Then your next slide should be the QR code. scan the QR, register and get the promotional and promotional packages and rate sheet or get our rate

00:47:36

Jai Kishan: But when they register they become when they register do they come under the

Toe Tripper 863: sheet.

Jai Kishan: website or how does it work?

Toe Tripper 863: Yeah. So, the sign up page is on the web page

Jai Kishan: Because when we show sign up then they ask a sign up.

Toe Tripper 863: only.

Jai Kishan: So the QR and the sign up is it the same or not? That's my point.

Toe Tripper 863: Yeah. Uh the QR code will take them to the website agency signup agent

Jai Kishan: Is she correct?

Toe Tripper 863: portal.

Hevardhan Saravanan: Yes,

Jai Kishan: Then is that how it works?

Hevardhan Saravanan: sir. Yes, sir. Yes, sir.

Thayaalan Kumar: Yes sir. Like what?

Jai Kishan: So we still need a

Thayaalan Kumar: Uh

Jai Kishan: QR.

Thayaalan Kumar: yeah

Jai Kishan: So I show them this slide first. I tell them I mean I show them the live website. Then next one I show them a QR and tell them please scan

Toe Tripper 863: You tell them.

00:48:31

Toe Tripper 863: Yeah.

Jai Kishan: this QR to access to to

Toe Tripper 863: Sign up.

Thayaalan Kumar: for a sign up.

Jai Kishan: download. Okay.

Toe Tripper 863: Please scan the

Jai Kishan: And if they ask me can I click on the sign up and sign

Toe Tripper 863: QR.

Hevardhan Saravanan: Yeah,

Jai Kishan: in

Hevardhan Saravanan: that also works.

Toe Tripper 863: But the company name has to be

Jai Kishan: the QR and the sign up.

Toe Tripper 863: mandatory.

Jai Kishan: Yeah,

Hevardhan Saravanan: Sir either the users can go to our website.

Jai Kishan: that one we'll discuss that day. What should be the company

Hevardhan Saravanan: That's what they can keep it in a way that either the you the people who are attending your

Jai Kishan: name?

Hevardhan Saravanan: presentation can go to your website as you say like this is the website link and then if they type the website in their laptop or phone they can go there and then they can click sign up and then they can sign up or or you will display the QR which will directly take them to if they scan the QR which will directly take them to this page.

00:49:25

Jai Kishan: the signup page.

Toe Tripper 863: That is what it has to be.

Jai Kishan: Okay,

Hevardhan Saravanan: Huh.

Jai Kishan: perfect.

Toe Tripper 863: The reason being there are there are two three U2 travels.

Jai Kishan: Okay, I understood now.

Toe Tripper 863: I don't we don't want them to get diverted to different YouTube travels.

Hevardhan Saravanan: Yeah.

Jai Kishan: Okay. So, you sort it out today and you send to Nikita first the QR you send the QR as well

Hevardhan Saravanan: Yes, sir. Yes, sir. Yes,

Jai Kishan: as but the live website must be up for her to do that.

Hevardhan Saravanan: sir.

Jai Kishan: Okay. Let her do the QR tonight and meanwhile Dan will get the live website running tomorrow morning. Then Nikita we'll tell you first to do it.

Hevardhan Saravanan: Hat.

Jai Kishan: You do it for

Toe Tripper 863: You can call me at any point of time.

Jai Kishan: us.

Toe Tripper 863: I'm almost awake all the time. You can give me a call. You just tell me this is ready.

00:50:15

Toe Tripper 863: Nikita, just check. I'll immediately

Hevardhan Saravanan: Okay.

Jai Kishan: Okay. Very good. Perfect. Anything else?
